FREQUENTLY ASKED QUESTIONS:

Does AAR provide assistance with Entry Visas?

No, we are not equipped to provide those services. Visiting Artists and Scholars who are *not* EU citizens (including those from US) and plan to be in Italy for more than 90 days are required to apply for an Entry Visa. Entry Visas are not required for those staying 90 days or less. Citizens of some countries are required to obtain an Entry Visa regardless of the length of stay, so it is best to check with your local consulate for confirmation.

Can the two-week minimum stay requirement be waived?

No, as the Academy is not properly equipped to handle hotel-like turnovers.

Can applications be submitted beyond the application deadlines?

Applications are accepted year round. However, as most of the spaces are assigned in June, October, and February, chances of being accepted into the program diminish when the applications arrive after the deadline for those periods.

Is American citizenship a requirement for the Visiting Artists and Scholars Program?

No, artists and scholars of any nationality may apply.

Is financial assistance provided for the Visiting Artists and Scholars Program?

No, Visiting Artists and Scholars are responsible for all costs related to their travel and stay at the Academy.

What happens when one is accepted into the program?

You will receive an email of notification with instructions on how to secure your stay with payment of a security deposit.

Can I check in before 2:00pm?

Yes, if the assigned unit is prepared, but that is not guaranteed. However, we can guarantee a 2:00pm check-in.

Can I check out after 9:00am?

Unfortunately no, as the space needs to be prepared for the next occupant.

Are Academy spaces air-conditioned?

No, they are not.

Does the Academy provide space or support for me to present my work while a Visiting Artist or Scholar?

While Visiting Artists and Scholars are most welcome to organize an informal presentation of their work or an open studio, the Academy has a full events schedule and cannot provide logistical support for Visitor presentations.
